About Casamigos Tequila

Longtime friends George Clooney, Rande Gerber and Mike Meldman love Casamigos. Tequila-filled nights with friends is how Casamigos was born. Our idea was to make the best-tasting, smoothest Tequila and Mezcal that didn't have to be covered up with salt or lime.

So we did.

Casamigos was made just for us. We worked on the creation of Casamigos with our master distiller in Jalisco, Mexico for years, and held many blind tastings until we knew we got it right. We've been drinking our tequila and mezcal with friends and family for many years now. It was never intended to be released to the public. It's all we serve at our homes in Mexico, so it's literally our house tequila.
